

Public Utilities

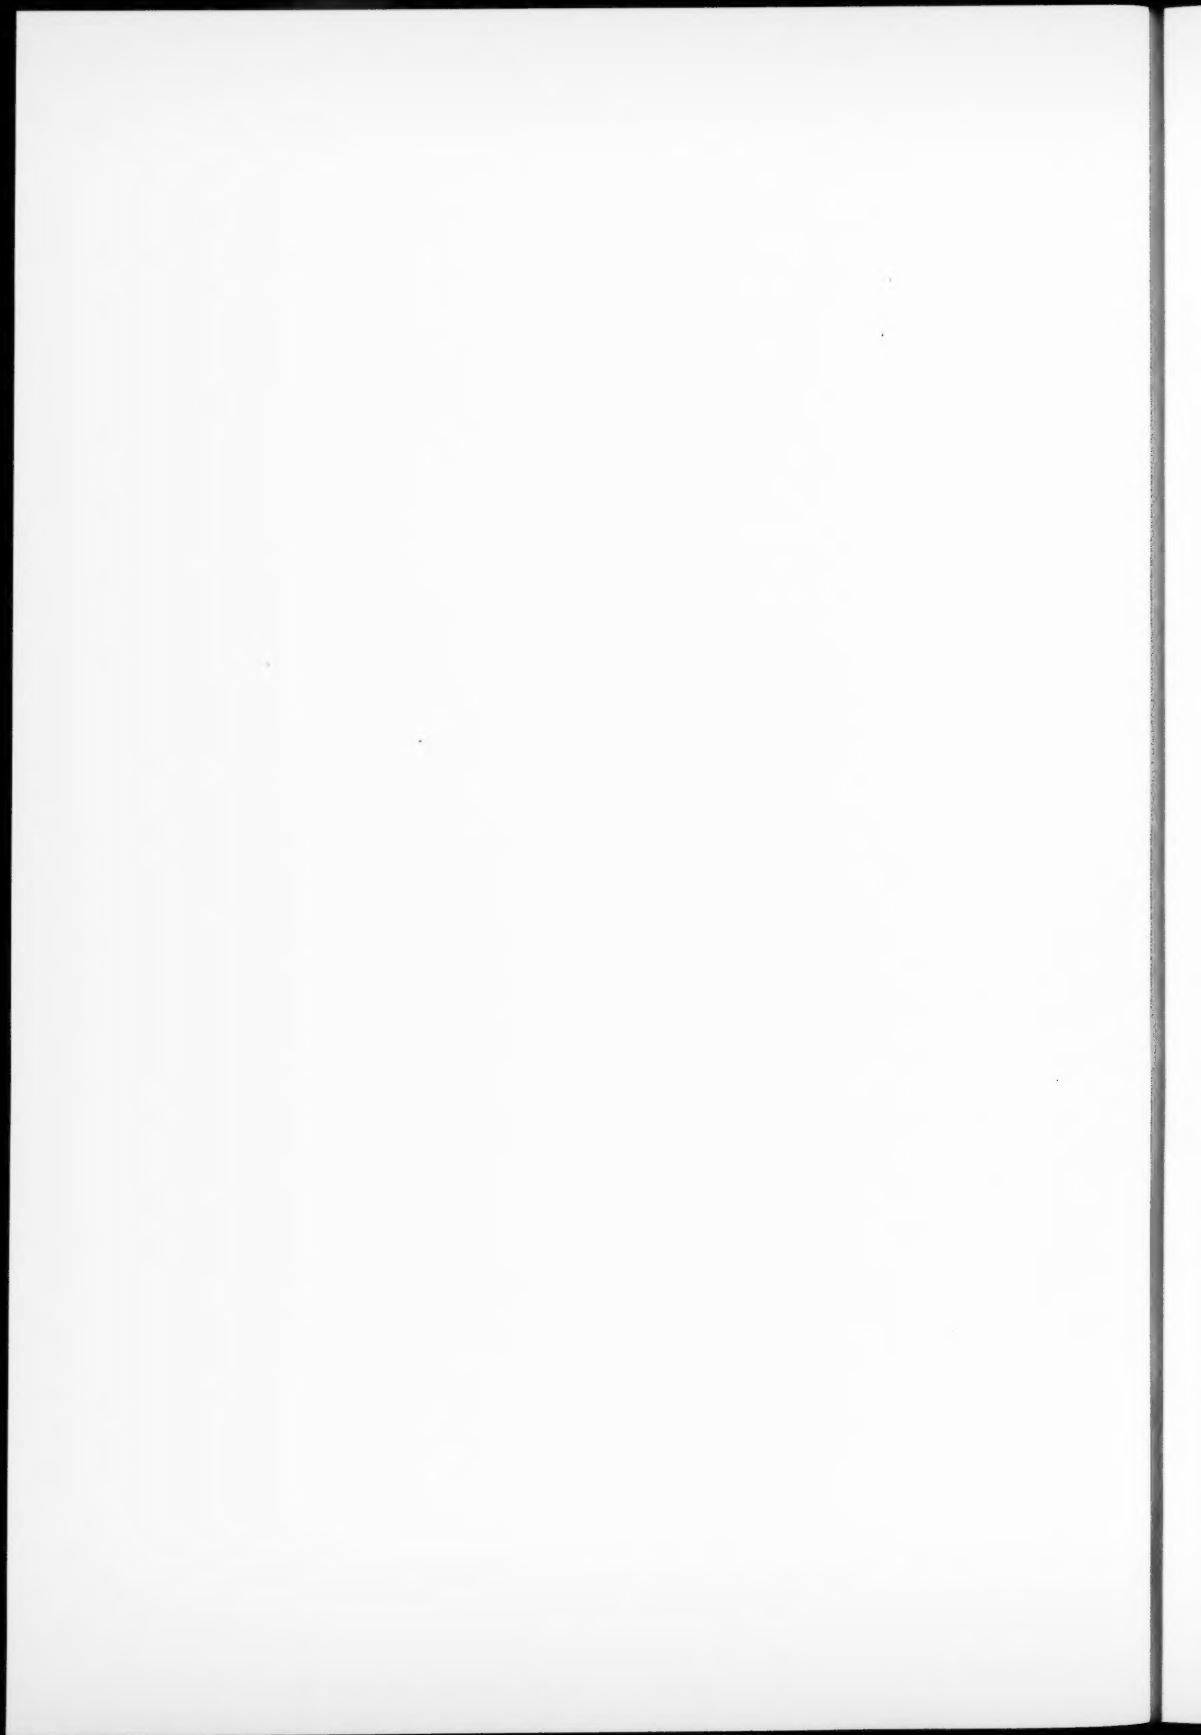

FORTNIGHTLY

Index to Volume 58

*Including the Issues of July 5, 1956
to December 20, 1956*

PUBLIC UTILITIES REPORTS, INC.
WASHINGTON, D. C.

INDEX

To Vol. 58 of *Public Utilities Fortnightly*

Pages by Issue

July 5, 1956	Pages 1 to 72	October 11, 1956	Pages 561 to 648
July 19, 1956	" 73 to 144	October 25, 1956	" 649 to 736
August 2, 1956	" 145 to 216	November 8, 1956	" 737 to 808
August 16, 1956	" 217 to 288	November 22, 1956	" 809 to 880
August 30, 1956	" 289 to 360	December 6, 1956	" 881 to 952
September 13, 1956	" 361 to 432	December 20, 1956	" 953 to 1024
September 27, 1956	" 433 to 560		

Subject Index

ACCOUNTING

- Accelerated depreciation—economic and regulatory aspects, 145.
- Accelerated depreciation—views of commissioners, 333.
- Accelerated depreciation—views of utility spokesmen, 855.
- FCC telephone accounting rules changed, 105.
- Impact of cost allocation on gas pricing, 685.
- NARUC toll accounting, 911.
- Plant acquisition adjustments and the rate base, 721.
- State commissioners' thoughts on accounting revision, 335.

AIR CARRIERS

- Developments in irregular air-carrier operations, 899.
- Freedom of entry in air transportation, 532.
- New York's new "Red Book," 844.
- Uncontrolled state taxing power oppressive burden upon interstate carriers, 536.

ALASKA

- Low-cost atom power, 466.

AMERICAN BAR ASSOCIATION

- Addresses on public utility problems, 485.

APPEAL AND REVIEW

- Economic climate as affecting judicial expertise, 655.

APPORTIONMENT

- Impact of cost allocation on gas pricing, 685.
- State commissioners' thoughts on separations manual, 335.

ATOMIC ENERGY

- Accelerating civilian reactor program, 192.
- Congress fails to act on atomic power, 388.
- Electricity direct from controlled fusion, 38.
- Financial protection against atomic hazards, 555.
- GAO wants AEC nuclear audit, 988.
- Government or company nuclear power development, 300.
- Ingenuity engineering for utilities, 231.
- Low-cost atom power for Alaska, 466.
- Michigan atom plant, 317.
- Nuclear service for New England, 238.
- Politics and the atom, 605.
- Power developments, 772.
- Public power threat increases—atomic reactors, 35.
- Rôle of states in power reactor program, 547, 781.
- Shackling or harnessing the atom, 768.
- State commissioners' thoughts on, 337.
- State regulation and atomic energy, 628.

CALIFORNIA

- Inadequate utility earnings, 465.
- Property tax equalization, 891.

CANADA

- Natural gas in Alberta, 263.
- Too much U. S. investment, 922.

CAPITAL

- Cost of capital, see Return.
- SEC to study capitalization ratios, 464.

CARRIERS

- See also Air Carriers; Motor Carriers; Railroads.

PUBLIC UTILITIES FORTNIGHTLY

CARRIERS—Cont'd

- Competition between regulated and unregulated, 217.
- Operation of surface carriers, 737, 815.

CHARTS

- AT&T earned surplus 1920-55, 611.
- Bond yields for 1955, 1956, 322.
- Bonneville's energy sales 1941-55, 109.
- Capitalization ratios 1944-55, 915, 917.
- Ebasco forecast of fuel, hydro, and nuclear requirements of U.S. utilities, 37.
- Energy sources projected to year 2000, 185.
- Gas appliances in use today, 390.
- Gas industry expansion and trends, 325, 705, 707.
- Generating capacity in 1955 and 1970, 850.
- Historical yield trends of utility securities, 848.
- Increase in debt, 462.
- Load growth in New York state 1938-65, 392.
- Monthly trend of utility financing 1954-56, 613.
- More homes heat with gas, 775.
- Natural gas network growth, 34.
- Reserves of natural gas, 258.
- Utility financing by months, 1954-56, 996.

CIVIL AERONAUTICS BOARD

- Developments in irregular air-carrier operations, 899.

COAL

- Partners in power: coal and the utilities, 953.

COMMISSIONS

- See also Federal Communications Commission; Federal Power Commission.
- Conditional orders to bypass jurisdictional limitations, 202.
- Economic climate as affecting judicial expertise, 655.
- NARUC Convention—views of commissioners, 330.
- Regulatory check list for state security issue cases, 962.
- Regulatory commissions panned, 842.
- Trustee responsibility of state commissioner, 73.
- Views on commission action and responsibility, 129.

COMMUNICATIONS

- See also Telephones.
- Cable to Cuba, 181.
- Defense emergency warning signals, 182.
- Federal Communications Act changes, 182.
- Modern crime control, 618.
- Power radio service, 770.
- Rural area radio telephones, 252.
- Streamlined fire alarm system, 253.
- Western Union official named, 459.
- Western Union rate raise asked, 105.

COMPETITION

- Regulated and unregulated transport, 217.

CONGRESS

- See also Federal Government.
- Cleaning up after, 315.
- Failure to act on atomic power, 388.
- Gas producer legislation, 28, 441, 881, 907.
- Hoover recommendations, 841.
- House plans "partnership" review, 988.
- Niagara *versus* the Dixiecrats, 382.
- No change in power policy, 909.
- Platform planks, 381.
- Political and lobbying expenditures, 469.
- Political campaigning of NRECA, 840.
- Power bills, 26, 168, 179.
- Preference clause debate, 397.
- Record of session, 248.
- Regulatory commissions panned, 842.
- Utility probes, 250.

CONSOLIDATION, MERGER, AND SALE

- General Telephone merger, 327.

CONSUMERS AND PATRONS

- Comments on gas supply, 666.
- Compensating producers for gas reserves, 366.
- Law and the phone chiselers, 457.
- Planning for modern independent telephone service, 570.
- State commissioners' thoughts on regulatory protection of, 336.

CONTRACTS

- Reverse "give-away" charge, 318.

CO-OPERATIVES

- Extension into co-operative's area, 633.
- Political campaigning of NRECA, 840.
- Sellout by co-ops, 603.
- Telephone co-ops lose in North Carolina, 458.

COST OF CAPITAL

- See Return.

DEPRECIATION

- Accelerated depreciation—economic and regulatory aspects, 145.
- Accelerated depreciation—utility spokesmen's views, 855.
- Accelerated depreciation—views of commissioners, 333.
- Cost or value as basis, 57.
- Share earnings and accelerated depreciation, 992.

DIVIDENDS

- See also Finances; Return.
- Stock dividends, 345.
- Table—current yield yardsticks, 187, 615, 851.
- Tax contributions compared with dividends and operating payrolls, 289.

EARNINGS

- See Dividends; Return.

PUBLIC UTILITIES FORTNIGHTLY INDEX

ECONOMICS

- Accelerated depreciation—economic aspects, 145.
- Growth utilities, 326.
- Investors' view of management and regulation, 1.
- Judicial expertise as affected by economic climate, 655.
- Money markets still tight, 851.
- Natural gas industry and American society, 307.
- Professors and utility management—getting to know each other, 22.
- Renewed threat of inflation, 463.
- Telephone industry under regulation, 561.
- Too much U.S. investment in Canada, 922.

EDUCATION

- Corporation policy goes to school, 760.
- Professors and utility management—getting to know each other, 22.

ELECTRICITY

- See also Government Power.
- Accelerating the civilian reactor program, 192.
- Analysis of electric rate structure, 627.
- Atomic-powered service for New England, 238.
- Business load should be sold by engineers, 92.
- Chart—Bonneville's energy sales 1941-55, 109.
- Chart—energy sources projected to year 2000, 185.
- Chart—generating capacity in 1955 and 1970, 850.
- Chart—load growth in New York state 1938-65, 392.
- Combined billing for service to housing projects, 937.
- Controlled fusion to produce, 38.
- Earnings gains tapering off, 995.
- EEI-AGA statistical projects, 777.
- EEI convention, notes on, 116.
- Estimated costs at New Memphis generating station, 995.
- High lights of 1955 electric utility statistics, 254.
- Ingenuity engineering for utilities, 231.
- Intercompany co-ordination of new system capacity, 448.
- John Day dam battle looms, 454.
- Low-cost financing of hydroelectric projects, 809.
- New developments at Niagara, 391.
- Niagara Mohawk Power's disaster, 110.
- No Niagara settlement seen, 455.
- Partners in power: coal and the utilities, 953.
- Political campaigning of NRECA, 840.
- Power shortage in the Pacific Northwest, 753.
- Preference clause debate, 397.
- Public relations of utility metering, 832.
- REA co-ops pay up, 456.
- Reclamation and power projects, 168.

ELECTRICITY—Cont'd

- Settling the Clark Hill—Co-op controversy, 373.
- Split decision on Santee-Cooper, 83.
- Tables—financial stock data, 39-41, 189-191, 327-329, 466-468, 778-780, 919-921.
- Tax contributions compared with dividends and operating payrolls, 289.

EMPLOYEES

- Business load should be sold by engineers, 92.
- Ohio utility antistrike law, 912.
- Pension plan for Bell System, 990.
- Relations of a modern gas utility, 661.
- Telling the story of employee benefits, 17.

FEDERAL COMMUNICATIONS COMMISSION

- Governor defies FCC, 320.
- Telephone accounting rules changed, 105.
- Telephone industry under regulation, 561.

FEDERAL GOVERNMENT

- See also Government Power.
- Government or company nuclear power development, 300.
- Rôle of states in power reactor program, 781.
- State commissioners' thoughts on federal and state co-operation, 338.

FEDERAL POWER COMMISSION

- FPC and gas producer segment of industry, 712.
- Gas fuel rivalry, 604.
- New gas bill, 907.
- Problems in gas regulation, 509.
- Regulatory burden of producer segment of gas industry, 712.
- Solution for producer problem, 441.
- Trends in producer rate controls, 881.

FIELD PRICE

- Trends in producer rate controls, 881.

FINANCES

- See also Dividends; Securities.
- Capitalization ratios and the SEC inquiry, 913.
- Chart—AT&T earned surplus 1920-55, 611.
- Chart—bond yields for 1955, 1956, 322.
- Chart—capitalization ratios 1944-55, 915, 917.
- Chart—increase in debt, 462.
- Chart—monthly trend of utility financing 1954-56, 613.
- Chart—utility financing by months 1954-56, 996.
- Financial protection against atomic hazards, 555.
- Heavy yield premiums on recent bond offerings, 615.
- Investors' view of management and regulation, 1.
- Low-cost financing of hydroelectric projects, 809.
- May utility financing, 38.

PUBLIC UTILITIES FORTNIGHTLY

FINANCES—Cont'd

- Money markets still tight, 851.
- Money rates up again, bonds weaken, 321.
- November financing light, 995.
- Recent utility analysis and bulletins, 997.
- SEC to study capitalization ratios, 464.
- Table—current yield yardsticks, 187, 615, 851.
- Table—first half utility financing, 256.
- Table—November utility financing, 994.
- Table—utility financing in first nine months, 776.
- Tables—monthly utility financing, 188, 323, 464, 774, 849.
- Western Union's junior shareholder, 106.

FLORIDA

- Resurgence of private water companies, 121.

GAS

- Air conditioning, 678, 846.
- Alberta gets natural gas, 263.
- American society and the natural gas industry, 307.
- Boiler fuel question, 842.
- Chart—industry expansion 1935-57, 325.
- Chart—industry trends, 705, 707.
- Chart—more homes heat with gas, 775.
- Chart—natural gas network growth, 34.
- Chart—natural gas reserves, 258.
- Chart—90 million gas appliances, 390.
- Compensating producers for gas reserves, 366.
- Dynamic growth of natural gas, 33.
- FPC problems in gas regulation, 509, 604, 712, 881.
- Georgetown University symposium X-rays producers' problems, 42.
- Industrial plant gets gas, 251.
- Industry with a future, 649.
- Major pipeline construction program still under way, 708.
- Natural gas comes to the Northwest, 709.
- Necessity of "conventional methods" in natural gas rate regulation, 47.
- New gas bill, 907.
- Panhandle decision, in the wake of, 765.
- Producer rate controls, 441, 519, 700, 701, 881.
- Producers not free to abandon service, 702.
- Public ownership for gas, 710.
- Public relations of metering, 832.
- Rate regulation—problems affecting the independent gas producer, 502.
- Rate regulation—problems facing the gas consumers, 527.
- Rate regulation—problems facing the gas distributor, 519.
- Solution for producer problem, 441.
- State commissioner's reaction to Mobile and Sierra cases, 332.
- Synthetic natural gas—future importance, 183.
- Table—financial stock data, 113, 260, 394, 710, 852, 998.
- Trends in industry, 703.

GOVERNMENT POWER

- Advances on congressional front, 100.
- Atomic reactors—public power threat increases, 35.
- Fixing government power rates in the Southwest, 433.
- Future legislation for TVA, 839.
- "Give-away" issue, 361.
- Last round in Hell's Canyon fight, 767.
- Low-cost financing of hydroelectric projects, 809.
- Niagara *versus* the Dixiecrats, 382.
- No stay for Hell's Canyon, 382.
- Notes on public power developments, 107.
- Policy unchanged, 909.
- Postelection stirrings in federal power policy, 1001.
- Power bills in Congress, 26, 179, 248, 383.
- Preference clause debate, 397.
- Reclamation and power projects, 168.
- Settling the Clark Hill-Co-op controversy, 373.
- Shortage of power in Pacific Northwest, 753.
- Split decision on Santee-Cooper, 83.
- Tax contributions compared with dividends and operating payrolls, 289.
- TVA progress reported, 384.

INDUSTRY

- Accelerating civilian reactor program, 192.
- Bell plans expansion, 910.
- Business load should be sold by engineers, 92.
- Gas to industrial plant, 251.
- Government or company nuclear power development, 300.
- Growth utilities, 326.
- Heavy burdens of responsibility on gas industry, 649.
- Ingenuity engineering for utilities, 231.
- Intercompany co-ordination of new system capacity, 448.
- Natural gas as irrigation pump fuel, 716.
- Natural gas industry and American society, 307.
- New York's new "Red Book," 844.
- Partners in power: coal and the utilities, 953.
- Synthetic natural gas—future importance, 183.
- Telephone merchandising—new look at an old picture, 581.
- Too much U. S. investment in Canada, 922.
- Utilities as customers for weather forecasts, 929.

INSURANCE

- Financial protection against atomic hazards, 555.

IRRIGATION

- Natural gas as irrigation pump fuel, 716.

LABOR

- Duty of utility to serve in the face of picketing and violence, 793.
- Ohio utility antistrike law, 912.

PUBLIC UTILITIES FORTNIGHTLY INDEX

LEGISLATION

See also Congress; Federal Government.
Cleaning up after Congress, 315.
Federal Communications Act changes, 182.
Hoover recommendations, 841.
Ohio antistrike law killed, 989.
Ohio utility antistrike law, 912.
Record of congressional session, 248.
USITA rôle, 565.
Utility lobbying probes, 250.
Victory on telephone company reimbursement, 104.

MANAGEMENT

Comments on gas supply, 666.
Corporation policy goes to school, 760.
Executive shake-up, 986.
Intercompany co-ordination of new system capacity, 448.
Investors' view of management and regulation, 1.
Kappel new AT&T president, 606.
Natural gas industry and American society, 307.
Problems of the small telephone company, 589.
Professors and utility management—getting to know each other, 22.
Publicity for utility company operations, 175.
Public relations of modern gas utility, 661.
Telling the story of employee benefits, 17.

MERCHANDISING

Gas air conditioning, 678, 846.
Rôle of USITA, 565.
Telephone merchandising—new look at an old picture, 581.

METERING

Combined billing for service to housing projects, 937.
Public relations of, 832.

MICHIGAN

Atomic power plant, 317.

MONOPOLY

See also Competition.
Service area agreement voided, 385.
Television and monopoly, 603.

MOTOR CARRIERS

Exemption of agricultural commodities from regulation, 498.
Uncontrolled state taxing power oppressive burden upon interstate carriers, 536.

NEW ENGLAND

Atomic-powered service, 238.

NEWS ITEMS

March of events, 53, 125, 199, 270, 342, 414, 629, 719, 790, 862, 934, 1006.

NEW YORK

Chart—load growth in New York state 1938-65, 392.

NORTH CAROLINA

Telephone co-ops lose, 458.

OHIO

Antistrike law, 912, 989.

PRIVATE ENTERPRISE

See also Government Power.
Atomic-powered service for New England, 238.
Government or company nuclear power development, 300.
Low-cost financing of hydroelectric projects, 809.

PROGRESS OF REGULATION

Review of current cases, 58, 133, 205, 275, 348, 420, 471, 635, 723, 796, 867, 940.
Trends and topics, 57, 129, 202, 273, 345, 417, 469, 633, 721, 793, 865, 937, 1009.

PUBLIC POWER

See Government Power.

PUBLIC RELATIONS

Business load should be sold by engineers, 92.
Corporation policy goes to school, 760.
Gas—industry with a future, 649.
Modern gas utilities, 661.
Publicity for utility company operations, 175.
Telling the story of employee benefits, 17.
Utility metering, 832.

RADIO AND TELEVISION

Booster TV stations face court test, 386.
Cable to Cuba, 181.
FCC's television frequency dilemma, 387.
Governor defies FCC, 320.
Monopoly and TV, 603.
Power radio service, 770.
Videophone, 608.

RAILROADS

Competition between regulated and unregulated transport, 217.
Operation of surface carriers, 737, 815.
Uncontrolled state-taxing power oppressive burden upon interstate carriers, 536.

RATE BASE

Accelerated depreciation—economic and regulatory aspects, 145.
Cost or value as depreciation basis, 57.
Impact of cost allocation on gas pricing, 685.
NARUC toll accounting, 911.
Plant acquisition adjustments, 721.
State commissioners' thoughts on separations manual, 335.

RATES

Analysis of electric rate structure, 627.
Bell System rate increases, 187.
Combined billing for service to housing projects, 937.
"Conventional methods" in natural gas rate regulation, 47.
Government power rates in the Southwest, 433.
Impact of cost allocation on gas pricing, 685.
Regulation problems—gas consumers, 527.

PUBLIC UTILITIES FORTNIGHTLY

RATES—Cont'd

- Regulation problems—gas distributor, 519.
- Regulation problems—independent gas producer, 502.
- Resolution for federal and state regulatory jurisdiction over transportation rates, 341.
- Surcharge of local taxes to local subscribers, 487.
- Trends in producer rate controls, 881.
- USITA rôle, 565.

REGULATION

- Campaign kickoff, 453.
- Competition between regulated and unregulated transport, 217.
- Conditional orders to bypass jurisdictional limitations, 202.
- Developments in irregular air-carrier operations, 899.
- Economic climate as affecting judicial expertise, 655.
- Investors' view of management and regulation, 1.
- New SEC branch created, 386.
- Operation of surface carriers, 737, 815.
- Regulatory commissions panned, 842.
- State commissioners' thoughts on federal and state co-operation, 338.
- State commissioners' thoughts on regulatory progress, 339.
- State commissioners' trustee responsibility, 73.
- State regulation and atomic energy, 628.
- Thoughts of state commissioners, 330.
- Veteran expert's views, 1005.
- Views on commission action and responsibility, 129.

REGULATORY TRENDS

- See Trends and Topics.

RETURN

- Confiscation when rate of return unreasonably low, 865.
- Inadequate earnings in California and New England, 465.
- State and interstate operations, 417.
- State commissioners' thoughts on cost of capital as related to, 331.
- State commissioners' thoughts on determining cost of money, 334.
- State commissioners' thoughts on importance of attrition, 334.

RURAL ELECTRIFICATION ADMINISTRATION

- Co-ops pay up, 456.
- Loan delinquency, 320.
- Rural telephone loan program, 594.
- Survey results announced, 770.

SANTEE-COOPER

- Legislative investigation, 83.

SECURITIES

- See also Dividends.
- Capitalization ratios and the SEC inquiry, 913.

- Chart—bond yields for 1955, 1956, 322.
- Chart—historical yield trends of utility securities, 848.
- Convertible, case for, 918.
- Current yield yardsticks, 851.
- Investors' view of management and regulation, 1.
- Money rates up again, bonds weaken, 321.
- New SEC branch created, 386.
- Premiums on recent bond offerings, 615.
- Regulatory check list for state security issue cases, 962.
- SEC to study capitalization ratios, 464.
- Stock dividends, 345.
- Stock rights offered by American Telephone and Telegraph Company, 257.
- Table—recent utility analyses by Wall Street firms, 111.
- Western Union's junior shareholder, 106.

SERVICE

- Air carrier, developments in irregular operations, 899.
- Area agreement voided, 385.
- Atomic-powered service for New England, 238.
- Denial of, for illegal use, 273.
- Duty to serve in face of picketing and violence, 793.
- Emergency priorities for telephone service, 106.
- Hush-a-phone decision, 911.
- Ingenuity engineering for utilities, 231.
- Intercompany co-ordination of new system capacity, 448.
- Modern gas utilities, 661.
- Natural gas comes to the Northwest, 709.
- Natural gas in Alberta, 263.
- New York's new "Red Book," 844.
- Operation of surface carriers, 737, 815.
- Partners in power: coal and the utilities, 953.
- Planning for modern independent telephone service, 570.
- Producers not free to abandon service, 702.
- Speed-up at phone headquarters, 608.
- Survival poses "ingenious paradox," 975.
- Telephone, more long-distance service, 844.
- Toll ticketing pays, 607.
- Transatlantic telephone service, 386.

SOUTH CAROLINA

- Split decision on Santee-Cooper, 83.

STATES

- Commissioners' thoughts on federal and state co-operation, 338.
- Regulation and atomic energy, 628.
- Rôle of states in the power reactor program, 547, 781.

PUBLIC UTILITIES FORTNIGHTLY INDEX

STRIKES

- Conspirators sentenced for telephone strike, 181.
- Duty to serve in face of picketing and violence, 793.
- Ohio antistrike law, 912, 989.

TABLES

- August utility financing, 464.
- Current yield yardsticks, 187, 615, 851.
- Data on electric utility stocks, 39-41, 189-191, 327-329, 466-468, 778-780, 919-921.
- Data on gas, telephone, transit, and water stocks, 113-115, 260-262, 394-396, 616, 617, 710, 852-854, 998-1000.
- First half utility financing, 256.
- July utility financing, 323.
- June utility financing, 188.
- November utility financing, 994.
- October utility financing, 849.
- Recent utility analyses by Wall Street firms, 111.
- September utility financing, 774.
- Tax contributions compared with dividends and operating payrolls, 289.
- Utility financing in first nine months, 776.

TAXES

- Accelerated depreciation—economic and regulatory aspects, 145.
- Property tax equalization in California, 891.
- Surcharge of local taxes to local subscribers, 487.
- Tax contributions compared with dividends and operating payrolls, 289.
- Uncontrolled state taxing power oppressive burden upon interstate carriers, 536.
- Utility spokesmen view accelerated depreciation, 855.

TELEPHONES

- American Telephone and Telegraph offers valuable stock rights, 257.
- Bell plans expansion, 910.
- Bell System rate increases, 187.
- Cable to Cuba, 181.
- Chart—AT&T earned surplus 1920-55, 611.
- Civil defense and the telephone, 30.
- Communications for modern crime control, 618.
- Consent decree files, 319.
- Co-ops lose in North Carolina, 458.
- Corporation policy goes to school, 760.
